Welcome Back 🎵

FALL 2017

I can't believe this summer has gone by so fast! I've enjoyed some beach and pool time, but I've also been hard at work preparing for this Fall season, and there are some very exciting things happening! As you know, the **Chancel Choir** will be joining DCINY (Distinguished Concerts International New York) to sing Joseph Martin's *Appalachian Winter* conducted by Joseph Martin himself and accompanied by Vincent & Dailey. However, that won't be the only exciting thing happening this season.

All Music Ministry ensembles will join forces for *Music Sunday* on October 29th. This is also the date that the Presbyterian Church will be celebrating the 500th anniversary for the reformed church, so we will be incorporating that into our special day. *Music Sunday* will blend modern and classic to create a worship experience for all ages!

Our **Children & Youth Music Ensemble** will begin to incorporate movement, visual art, and drama into the program. We are excited to see what possibilities this will bring for this group and our church!

Each ensemble will continue to grow musically and in worship leadership. I pray that this is an exceptional year for the Music Ministry!

ANNUAL COVERED DISH DINNER

Our Annual Covered Dish Dinner for the Music Ministry will be held on August 30th at 6:30pm in the Pavilion. Please bring a covered dish. Soft drinks and paper products will be provided. All music ministry members, new and old, are invited! Chancel Choir rehearsal will take place immediately following the event, and we will start the Christmas Cantata that night!

RSVP by Monday, August 28th by emailing music@tinklingspring.com what covered dish you will plan to bring!
